

## *CLASS VI: Summer Holiday Home Work*

Dear students,

Summer Vacations are fun, frolic and not waking up to an alarm clock. However, utilize the rest of your time in a constructive way to enable you to keep in touch with your school routine. These tips will make your vacation productive, enjoyable, and stress-free.

- Make a schedule to complete your daily tasks.
- Maintain good health and hygiene: Summer is a great time to be and stay in shape. Eat good food, enjoy the seasonal fruits, keep cool and stay healthy. Consider joining a summer camp, or at the very least go outside to the park and have fun every day.
- If you love languages, try and learn a new language.
- REVISE all the chapters in all the subjects for the Periodic I Assessment.
- Practice handwriting: write one-page English and Hindi hand writing every day
- Speak loud and clear in both the languages
- Read all the topics which is covered in the class
- Complete the question and Answers in taught subjects
- Learn minimum 20 Tables
