

CLASS VII Summer Holiday Home Work

Dear students of Class VII,

Summer Vacations are fun, frolic and not waking up to an alarm clock. However, utilize the rest of your time in a constructive way to enable you to keep in touch with your school routine. These tips will make your vacation productive, enjoyable, and stress-free.

- Make a schedule to complete your daily tasks.
- Maintain good health and hygiene: Summer is a great time to be and stay in shape. Eat good food, enjoy the seasonal fruits, keep cool and stay healthy. Consider joining a summer camp, or at the very least go outside to the park and have fun every day.
- If you love languages, try and learn a new language.
- Practice handwriting, make a photo album of the places you visit during the vacation and share them with us when you come back.
- Study-Keeping in touch with academics is essential even though the school year is in recess. Follow a routine. When school resumes, you will be grateful that your academic knowledge and skills have not deteriorated but rejuvenated.
- **REVISE** all the chapters in all the subjects for the Periodic I Assessment.
 - Practice handwriting: write one-page English and Hindi hand writing every day
 - Speak loud and clear in both the languages
 - Read all the topics which is covered in the class
 - Complete the question and Answers in taught subjects
 - Learn minimum 20 Tables
