

# *CLASS X: Summer Holiday Home Work*

## **Dear students of class X,**

Summer Vacations are fun, frolic and not waking up to an alarm clock. However, utilize the rest of your time in a constructive way to enable you to keep in touch with your school routine. These tips will make your vacation productive, enjoyable, and stress-free.

- Make a schedule to complete your daily tasks.
- Maintain good health and hygiene: Summer is a great time to be and stay in shape. Eat good food, enjoy the seasonal fruits, keep cool and stay healthy.
- Study-Keeping in touch with academics is essential even though the school year is in recess. Follow a routine. When school resumes, you will be grateful that your academic knowledge and skills have not deteriorated but rejuvenated.
- REVISE all the chapters in all the subjects for the Periodic I Assessment.
- Practice handwriting: write one-page English and Hindi hand writing every day
- Speak loud and clear in both the languages
- Read all the topics which is covered in the class
- Complete the question and Answers in taught subjects
- Learn all the formulas
- Complete all the mathematics exercise and Practices it.
- Learn some General Knowledge Questions and Answers
